ELIGIBILITY: All team members must be adult members of the USTA (19 yrs of age or older prior to or during the calendar year in which such player plays in his/her first local league match) and must bring their USTA card and picture identification, in case it is requested. A minimum of 6 players who were on the final roster must be available to compete. **A captain must request a waiver through the section office to participate with fewer than this number.**

RULES AND REGULATIONS: The official rules of the USTA will be observed as well as the USTA League Rules and Regulations. The Section League Coordinator or the Tournament Committee shall have the right to modify the format and scoring or use alternate sites and court surfaces in order to complete play on schedule in the event that there are more or fewer teams than anticipated, defaults, unforeseen weather conditions, or any other reason, which would necessitate a change in the announced format. If the championship, or part of the championship is cancelled due to rain or unforeseen circumstances, the championship may not be rescheduled.

CHECK IN: The Captains will be given their match scorecard to fill in their line-up when they check in at the tournament desk 30 minutes prior to the start of the match. Any questions of eligibility (membership, waiver, and NTRP) will be taken care of at that time. This information must be confirmed before players go on court. Teams must be ready to play when the match scorecard is submitted. Matches may be played earlier whenever courts are available, and it is the responsibility of all players to be ready to play whenever their match is called. When a team finishes a match, the winning team/player shall report their score and both captains are responsible for verifying the scores and signing the match scorecard.

COMPETITION FORMAT

All matches played will be the best of two sets, with regular scoring and a set tiebreak (first to 7 by 2) at 6-all in each set. In the event of split sets, a deciding match tiebreak (first to 10 by 2) shall be played in lieu of a third set with the two-minute setbreak. The Coman Tiebreak Rotation will be used for the Set and Match Tiebreak.. *Procedure: players will change ends after the first point and every 4 points thereafter.* Coaching will not be allowed at any time during the match. Teams will participate in a non-elimination round-robin format. The winner of each flight/division will be determined by team matches won.

In the event of a tie, the tie will be broken by the first of the following procedures:

- Winner of the most individual matches
- Winner of the fewest number of sets lost
- Winner of the fewest number of games lost
- Winner of the head-to-head match
- A method to be determined by the championship committee
